MY FIRST STEP:

"I propose to reduce the administrative cost of the State Government, so that the amount taxpayers of Arkansas will have to pay will not exceed five per cent of the funds administered for public purposes. This will include the cost of all the general departments under my control, as well as the State administrative expenses of special departments which render public services.

MY SECOND STEP:

"At the present time, principal and interest on the State debt cost the taxpayers about twenty per cent of their tax dollar. ### A Business Man from Arkansas to the Senate!

#### **Our Biggest National Problems Are Business and Financial:**

THE NATIONAL DEBT OF 140 BILLIONS (It will probably double this tigure)

- DEFICIT FINANCING OF GOVERNMENT
- THE WASTE OF PUBLIC FUNDS
- THE PREVENTION OF INFLATION MAINTAINING THE NATIONAL INCOME
- JOBS FOR RETURNING SERVICE MEN AND WOMEN
- RECONVERSION FROM WAR ECONOMY TO PEACE
- RELIEF FOR SMALL SALARIED WORKERS

greatest need of our greatest business-government-is men

Upon the business-like solution of these and many other complicated problems depends our very existence as a nation. The

of outstanding business ability in Congress.

### BARTON IS OUR LOGICAL CHOICE

for the U.S. Senate

The thought that his years of successful business experience would enable him to render to his state and nation a real service in this time of greatest need, is the only reason that prompted Barton to become a candidate for the U.S. Senate. He is not a politician—he owes no political debts. He is a successful Arkansas business man.

If, by reason of his business experience, you feel that Barton will serve you better in dealing with grave business and financial problems, he merits your support. Upon this simple issue, Barton submits his candidacy to the voters of Arkansas
